- #1. Welcome and introductions.
- #2. Minutes approved from the November meeting.

- #3. Reviewed work injuries and illnesses related to Hazards Management.
- #4. Unfinished Business: Discussed Falls/trips/slips campaign-slogan-poster; Poster and slogan approved, H&S will work on poster, will go to HR to post, will be posted on web site.

PPE campaign still working on. Safety pictures and slogan contest was discussed. Please encourage people to work on.

- #5. New Business: Mechanical Rooms on campus; George Deviny presented a slide show of conditions on campus, some rooms cleaned up, others are still problematic. Lots of discussion followed; who has keys? who is responsible for rooms? What can be in rooms? How to enforce? The goal is for this committee to come up with a policy for the mechanical rooms. Suggested to send a survey out to other university to see what other places are doing or not doing.
- #6. Other Business: Next meeting maybe in a different site with inspection.

Remember:

It was suggested that the committee try to visit shops to observe the different areas represented on the committee. The idea met with favor from all present. It was suggested when people knew of an inspection coming up in their area or shop, to notify the members of the day, time and place.

All of the up coming meetings we will be reviewing updates to the Health & Safety manual, please make every effort to come so you can have input to this process and relate changes back to your departments and units.
