

# TRAVELING SOON? WE CAN HELP!

Traveling  
Internationally for  
University Business?  
Come see us at the  
UEOHC!  
919-966-9119

## WHAT WE PROVIDE

- Pre-travel medical evaluation and education about prevention of illness while traveling internationally
- Consultations to determine what immunizations you need specific to what country (or countries) you are traveling to
- Immunizations including:
  - Hepatitis A
  - Japanese Encephalitis
  - Typhoid
  - Meningococcal Meningitis
  - Polio
  - Rabies
  - Tdap
- Prescriptions for prophylaxis against diarrheal and vector-borne diseases
  - Antibiotics in the event of traveler's diarrhea
  - Malaria prophylaxis

## WHAT WE NEED FROM YOU

- Your completed form a minimum of 4-6 weeks prior to departure

<https://ehs.unc.edu/ueohc/travel-immunizations/>

## IMPORTANT THINGS TO NOTE

### YELLOW FEVER

We cannot currently give the yellow fever vaccine, but Campus Health Services can!

[Campushealth.unc.edu](http://Campushealth.unc.edu)

### FILLING OUT YOUR FORM

Please put ALL countries AND cities you will be stopping in on your form, including any layovers.

It's also VERY important to put dates of departure and return on your form.

### WHERE TO SEND IT
