

# Kenan Stadium Concessions Pollution Prevention Guidelines

All storm drains on UNC's campus connect directly to local streams

Cooking grease spilling into a storm drain

Pollution goes through the storm drain system and enters streams

Grease in a campus stream after a home football game

## Leftover Drinks and Food Prep Waste

- ◆ Leftover beverages and other liquids must be poured into kitchen sinks.
- ◆ Prevent waste water from cooking, steamer trays, water baths, dish washing or other food prep activities from going into outside storm drains.
- ◆ NEVER pour leftover beverages or food waste into an outside storm drain.

## Used Cooking Oil

- ◆ Cooking oil must be stored inside and in a closed container.
- ◆ Spill kits are handy, but if you don't have a spill kit and you have a cooking oil spill, call your UNC contact person to bring spill clean-up supplies.
- ◆ NEVER pour cooking oil or grease into an outside storm drain.

## Mop Water

- ◆ Dispose of mop water into Housekeeping Sinks.
- ◆ Housekeeping sinks are located inside the North and South Hawking Booths and inside some of the restrooms in the Restroom Towers.
- ◆ NEVER pour mop water or any cleaning chemical into an outside storm drain.

## Questions? Need help cleaning up a spill?

- ◆ **Game Day:** Call the UNC Department of Public Safety at (919) 962-8100
- ◆ **Weekdays:** Call EHS at (919) 962-5507
