Remember:

It was suggested that the committee try to visit shops to observe the different areas represented on the committee. The idea met with favor from all present. It was suggested when people knew of an inspection coming up in their area or shop, to notify the members of the day, time and place.

All of the up coming meetings we will be reviewing updates to the Health & Safety manual, please make every effort to come so you can have input to this process and relate changes back to your departments and units.
