

MINUTES
OCCUPATIONAL HEALTH/CLINICAL SAFETY COMMITTEE
Wednesday, May 11, 2011

Members Present: Robert Adams (Chair), Dr. James Hill, Michele Clark, Jennifer Rees, Debra Bergman (EHS)

Members Absent: Enrique Platin, Michael Proctor, Karen Doran

1. Dr James Hill, Director UEOHC. Provided a brief overview of the approved sub-committee with respect to membership, goals, and responsibility of the Clinical Safety Committee.
2. Dr. James Hill, Director UEOHC. Presented an in depth analysis of the OSHA Log – Number of recordable incidents and how UNC Chapel Hill compares to other organizations with similar work environments. Findings indicate that UNC Chapel Hill has an incident rate considerably lower than other organizations.
3. Bergman reported on workplace safety statistics for the period of January 2011-March 2011. The statistics were compared to last quarter of 2010 as well as the January 2010-March 2010 data. Injury type with the greatest incident rate: Falls, slips, and trips.

Meeting adjourned at 2:30

Next meeting is scheduled for August 10, 2011.
