Subject: Bingham update - revocation of deemed permit

Friends and Neighbors -

The University received a letter from DENR today informing us that the Deemed Permitted status of the Bingham Facility has been revoked. DENR has directed the University to complete an application for a permit within 30 days. We will comply. This action is consistent with what we indicated that we were prepared to do in our January 29 communication to you.

The letter from DENR is attached.

Regards,
Dwayne
